Passionate about design and perfectionists in everything I do. I love to innovate in every single project, taking the best possible care in order to achieve outstanding results.

WORK EXPERIENCE

Barcelona, Spain

Present

Macrografiks

Founder & CEO

I founded Macrografiks at the end of 2012, a stock photography agency focus on macro photography. I have been in charge of most of the strategies behind the business as well as all the design part of the project, online and offline.
