Justin Thor Simenson (aka iminphotos) is a roaming photographer living in Albuquerque, New Mexico. He finds inspiration in the works of past New Mexico artists, the rich New Mexico culture, and the beautiful landscapes. Justin adds his own voice and vision to the photographs he makes but also tips his hat to the past.

WORK EXPERIENCE

USA

Sep 2007

Imagination Included Photography

Owner/Photographer

I started Imagination Included Photography with the intention to ground myself and set a clear path for my photography. I did not know where it would lead, and just now it is starting to take shape.
