---

When someone sees an image that is not just esthetically pleasing but also contains rich visuals and depth of information, they will take the time and consideration to investigate further. If the image feels new and innovative this mood will carry over to the product, thus distinguishing the product as something unlike the thousands of products they have already seen.

## EXPERIENCE

---

Los, California

Jan 2005

### Anza Graphic Arts

Illustrator/Designer

Anza Graphic Arts is the name I use to refer to my own company.

## EDUCATION

---

Seattle, WA, USA

Sep 1997 – Jun 1997

### Seattle Central College

Associate of arts

I started taking classes here mainly for the excellent art classes they offer. I was taking fine arts courses such as painting and drawing from teachers like Tatiana Garmendia who previously taught at Pratt Institute in New York.

---

CA, USA

### Academy of Entertainment Technology

## SKILLS

---

Photoshop, Illustrator, Sculpture, Ceramics, Scetchup, Painting Drawing, Meatal Casting
