---

**Offer my services as an architectural, urban landscapes and interior design photographer, to people and projects where my vision and technical skills will be applied to the greatest extent.**

## EXPERIENCE

---

France  
Jun 2003

### DavidSystem / Cohen Visuals

Photographer, filmmaker and founder

This company is about IMAGES creation

COMMISSIONED WORK: photography (mostly interiors) and film ("making of", "behind the scenes"...)

ART: Art photography, short movie, and drawing.

--

- 10 years of solid experience in urban landscapes photography.
- Strong knowledge of photography process, from preparing the space to the shooting and retouching.
- Excellent space understanding and framing, lines and light/color sense, with the ability to create and adapt images to their purpose.
- Significant ability to interpret client requirements and create images that pinpoint their target market.
- Excellent use of natural light using HDR and DRI techniques to work faster in almost any light conditions.
- Very good use of "video/photo camera" (Canon 5D MII) for filmmaking.
- Proven ability to retouch images using softwares such as Lightroom, Photoshop, Photomatix, or edit film with Final Cut Pro.

---

Paris, France  
Aug 2008 – Aug 2009

### WIHP - (ex 1001 Web Promotions)

Photographer

I was employed as a senior photographer at WIHP, a luxury hotel promotion company, in Paris, France.

--

- Direct contact with key clients, discuss images requirements and type of use.
- Handle photography requirements for key clients advertisements, marketing brochures and websites.
- Responsible for carrying out research and preparation before shooting.
- Arrange still life objects, products, scenes, props and backgrounds.
- Complete image retouching to final validation and delivery.
